

SKOPE-connect[™] puts you in control

Monitor and control your SKOPE smart-fridges from a smartphone or tablet - for free.

SKOPE-connect™

The many ways a business can benefit with SKOPE-connect

Four quick steps to get started...

- 1 Download SKOPE-connect™ from The App Store or Google Play or scan the QR code sticker
- 2 Create an account - enter your name, email address, phone number and venue details
- 3 Connect to your fridge - scan for your fridge, enter the serial number and give your fridge a name
- 4 Customise your fridge - set venue hours, adjust the temperature and turn on/off hush mode

Easy and free HACCP management

Display and export fridge temperature data and raise an alert if the temperature exceeds the limits you set.

Connect and Control via Bluetooth™

Individual & multiple fridges across venues.

Review the History

24 hour quick view summary or up to 5 months of graphical information for fridge temperature, energy use and door openings.

Know the Energy Use

Drill down into energy consumption by day, week, or month in both kWh and \$ value.

Set the Product Temperature

Simple "one-touch" temperature select for the product being stored via seven easy pre-sets or manual adjustment.

Control the Lighting

Switch lights on or off, or schedule lights to function with store hours or door openings.

Make it Quieter

One touch Hush Mode quietyens the fridge, making it ideal for customer service areas.

Comprehensive Alarms

Provides a description of the fridge or freezer fault and the recommended action to rectify it.

Peace of Mind

Knowing your fridge is running optimally

Customer Service

Make the fridge quieter

Prevention

Be alerted to clean air filter before fridge shuts down

Insights

Restock fridge prior to busy periods

Service

Informed fault diagnostics

Product Quality

Easily change the fridge temperature to suit

Multi-Sites

See how fridges are being used at different stores

Responsive

Record temperature and send an alert if out of specified range

Food Safety

Provide supporting evidence

Savings

See real energy costs

Convenience

Auto set lighting to store hours

SKOPE-connect™ simple “one-touch” ideal temperature settings
